

BERT BLUE MAGIC

Part# 447590 1 US Gallon (3.78L)

**SAE 75W90
Gear Lube
Universal for
Transmission
& Differential**

Product Information:

- **Bert Blue Magic™ Synthetic Gear Lube is a Universal Design for Rear End (Differential) & Transmission High Performance and Heavy Duty Applications where a SAE 75W90 is required.**
- **Diamond Like Additives and Aerospace Anti-Wear Technology with Synthetic Chemistry, Protects Gears and Bearings while Greatly Reducing Friction and Parasitic Drag with Cooler Temperatures and Smoother Operations.**
- **Special Formulation helps the Lube to “Cling to” the Gears while Providing Premium Hydrodynamic Oil Film Strength between the Surface Areas.**
- **Increased Efficiency and Performance with Longer Component Life.**
